Pearl

/pɜrɪ/

noun

Slang for a brand-new baseball right out of the box/package. A term used most likely only by players/families deep into baseball culture. Players get really excited when coach brings out a new box of pearls to throw in the bag.

Kip Simon's goal with this piece was to appeal to all baseball fans while still paying respect to Evan and Quinn, who loved the game. The idea of "Pearls Only" came to him while thinking what baseballs would be like in the after life..he mentioned, that they better be Pearls.
